## NOTES TO THE CONDUCTOR

The secret to success in performing this arrangement is to keep the vocal or solo instruments "in front" of the accompaniment. Although the arrangement is written to provide a quiet background, you may elect to delete some players if the ensemble is a large one. The voice part is written as it appeared in the original publication, but the vocalist should feel free to phrase in his or her particular style. This arrangement can also be performed as a solo showcase for the Eb alto saxophone or Bb tenor saxophone. The drum set rhythm part should be loud enough to be heard by the entire ensemble.
