Highlights from Overture 1812

Arranged By
Dr. James Jurrens

By
P.I. Tchaikovsky

Notes To The Director:

This setting of material from Tchaikovsky's *1812 Overture* was written to fill a need for a Junior High arrangement and a Senior High program number. This arrangement could also be used to combine bands for an all school concert.

The opening section should be very *legato*. At measure 22, the tempo should be a bright *Allegretto*. Be careful of balance so the inner voices can be heard. At measure 38, the melody should be played with a slight separation between notes. In measure 52 and 53, the *rit.* should be very broad and separated. The pick-ups to measure 54 should be *legato* leading into the *Largo* section. On the improvisation section in the Mallet Percussion part, use a great deal of chimes and bells.
