SKIP THE INTRO

Nederlands:

Dit is de droomcompositie voor elke drummer, de drummer in the spotlight, hij/zij gaat er direct tegenaan: "Skip The Intro". De meeste componisten vullen pas tegen het einde van de compositie de slagwerkpartij in maar hier is het dus andersom. Deze pop-/rockachtige compositie begint direct met een solo, waarna het orkest zich pas bij de solist voegt. Daarna wisselen orkest en drummer elkaar af in een leuk vraag-, antwoord- en samenspel. De gehele slagwerkpartij is van noot tot noot uitgeschreven, maar vanzelfsprekend mogen ervaren slagwerk(st)ers zelf interpreteren en improviseren.

English:

This is the dream piece of every drummer, the drummer in the spotlight, immediately rocking the house: "Skip The Intro". Most composers only come up with the drum parts in the final stage of composing, but this piece was made the other way around. This pop/rock tune starts with a drums solo, after which the band accompanies the soloist. Then band and soloist interchange in an interesting 'question'/'answer' game. The entire drum part is completely notated, but of course more accomplished drummers can interpret the part themselves and are free to improvise.

Deutsch:

Hier gibt es eine ideale traumhafte Komposition für jeden Schlagzeuger oder jeder Schlagzeugerin. Mit "Skip The Intro" kann er oder sie sich ausleben. Die meisten Komponisten schreiben die Schlagzeugstimme nur am Ende der Komposition, aber hier ist es gerade umgekehrt. Die Rock- bzw. Pop Komposition fängt unmittelbar mit einem Schlagzeugsolo an. Erst dann kommt das Orchester dazu. Nachher wechseln sich das Orchester und der Schlagzeuger in einer Art Dialogform mit Fragen und Antworten ab. Die vollständige Schlagzeugstimme ist mit allen Noten ausgeschrieben, aber selbstverständlich darf der erfahrene Schlagzeuger selbst interpretieren bzw. improvisieren.

Français:

Voici une composition rêvée pour tout percussionniste. En effet, la percussion est mise en évidence et le percussionniste peut vraiment s'éclater dans « Skip The Intro ». La plupart des compositeurs n'ajoutent les parties de percussion que vers la fin, mais ici, c'est le contraire. Ce morceau de style rock et pop débute immédiatement par un solo de percussion et l'orchestre se joint plus tard au soliste. Puis, l'orchestre et le soliste alternent dans une espèce de joyeux dialogue avec questions et réponses. La partie de percussion est intégralement écrite note à note, mais rien n'empêche les percussionnistes chevronnés de se permettre une interprétation personnelle et des improvisations.
