## Bearbeitungen für Chor (SATB) und Blesorchester / Brass Band

Diese Bearbeitungen sind in erster Linie als Blesorchesterwerke mit fakultativer Mitwirkung eines Chors konzipiert. Die Instrumentenstimmen sind selbständig, so dass der Dirigent ohne weiteres den Chor streckenweise auslassen darf. Andererseits kann er auch gewisse Instrumentalverdopplung streichen, um eine grössere Transparenz zu erzielen. Schliesslich kann der Chor ganz oder teilweise durch eine Solostimme ersetzt werden.

## Arrangements pour Choeur (SATB) et Harmonie / Brass Band

Il s'agit d'arrangements qui sont conçus au départ comme oeuvres instrumentales avec la participation facultative d'un choeur. L'écriture pour harmonie est ainsi complète en elle-même, ce qui permet au chef d'adapter la partition en supprimant le choeur à certains moments s'il le désire. Par contre, il pourrait aussi éliminer certaines doublures instrumentales pour alléger l'accompagnement. Le choeur peut être entièrement ou partiellement remplacé par une voix solo.

## Arrangements for Chorus (SATB) and Concert Band / Brass Band

These arrangements are conceived primarily as band works, with optional additional chorus. The band parts are self-sufficient, so the conductor should feel free to adapt the score as he wishes by leaving the chorus out at certain moments, or on the contrary by reducing the band's doubling of the choral parts to lighten the texture. The chorus may also be entirely or partially replaced by a solo voice.
