Symphonic Poem - "A day in life"

I) Dawn

The first glint of sunlight penetrates the foggy landscape. From the mist rises a rough settlement well hidden between grass and trees.

II) Daily life

Life inside the small village is peaceful and in harmony with nature. Proud men and women do their daily chores.

III) Joyful moments

The young and the old sit together, talking and laughing. A young couple sneaks away with romantic feelings.

IV) Departure

A group of hunters leaves the safe village. The woods and open fields are full of game. The hunters tramp in silence through the forest. In a clearing they make a short rest and say a prayer.

V) The hunt

The group of hunters is full of energy and is fast and the pursuit is intense. As the hunters move through the forest, the sound of their spears echoes.

The hunters return to the village. They are tired but happy. They have caught a large number of game.

VI) Going home

A soft moonlight still lies ahead of them. The hunters are tired but happy. They have caught a large number of game.

A soft moonlight still lies ahead of them. The hunters are tired but happy. They have caught a large number of game.

A soft moonlight still lies ahead of them. The hunters are tired but happy. They have caught a large number of game.

A soft moonlight still lies ahead of them. The hunters are tired but happy. They have caught a large number of game.

A soft moonlight still lies ahead of them. The hunters are tired but happy. They have caught a large number of game.
