The premiere performance of "Harry's Wondrous World" for concert band was conducted by John Williams as part of the 210th anniversary concert of the United States Marine Band, July 20, 2008 at the John F. Kennedy Center for the Performing Arts in Washington, D.C.

Duration – ca. 5:00
Complete Set 04001988
Full Score 04001989

The success of J.K. Rowling's *Harry Potter* series has been a heartwarming phenomenon to all those who love books.

The worldwide reception that these works have received added greatly to the sense of privilege that I felt when I was given the honor of composing the music for the film version of *Harry Potter and the Sorcerer's Stone*.

The story's imaginative array of wizards flying on broomsticks and mail-delivering owls, all occupying a wondrous world of magic, offered a unique canvas for music, and the prospect of sharing it with some part of the great army of readers who love these books is a great joy to me.
