A lush and beautiful setting of this wonderful carol that is sure to become a classic.

Originally written as poem by Cecil Frances Alexander, this ever-popular carol is widely performed. Since 1919, King's College Chapel in Cambridge has begun its Christmas Eve service with this carol as the Processional hymn. It has been recorded by many famous artists, including Mary Chapin Carpenter, Petula Clark, and the Mormon Tabernacle Choir. A special treat for your holiday audience!

NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.
