Enjoy the music of the hit movie, *Pan*, with heroic themes and soaring melodies!

### NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.

*Bob Phillips*  
Belwin/Pop String Editor

### PROGRAM NOTES

As a prequel to James Matthew Barrie's classic *Peter Pan (The Boy Who Wouldn't Grow Up)*, director Joe Wright's fantasy adventure film is full of all the swashbuckling action and tender emotional moments that anyone who has read the book would expect. Characters we all know and love are part of the story, but aren't all they necessarily appear to be in later life.

The dynamic score is by British composer, John Powell (*Shrek, Chicken Run, Happy Feet, How to Train Your Dragon*). Heroic themes and soaring melodies amplify the drama, and provide musical satisfaction well beyond the scope of the screenplay.

### NOTES TO THE CONDUCTOR

As in any movie or Broadway musical medley of this nature, players must be on their toes for quick changes in rhythm and meter. The scoring is straightforward, but not without sections that will require some individual practice at this level.

Tempo indications in the two expressive sections (beginning at m. 1 and m. 90) may be regarded as suggestions, and conductors are encouraged to further expand on the give and take of the phrasing. The bottom line of course, is to make music.
