PROGRAM NOTE

A hero will often share tales of valor and glory after returning from a journey. Charles Mekealian's *Hero* (for brass quintet) tells such a story through glorious music giving the audience the opportunity to visualize their own narrative. From knights to super heroes and the everyday heroes that live among us, let your imagination be your guide.

The heroes theme, first stated in the trumpet voice, recurs throughout the composition. The melody constantly transfers between voices in the ensemble to add diversity to the aural story. This heroes' journey is optimistic, confident and uplifting while ending even more triumphant than it began.
