Solos Around The World

(Unaccompanied Solos For Flute)

by Justin Harden

Solos Around The World (Unaccompanied Solos For Flute) is a collection of 8 distinctive solo works inspired by music from around the globe. The flute is one of the few instruments that is played in every culture. Justin Harden gives us this flute collection featuring solos inspired by African, Irish, Native American, Spanish and Asian cultures among others. Each solo is unaccompanied making it a strong and playable choice for flute players and their solo festival performance.

We at the RWS Music Company hope you will enjoy this wonderful collection of solos that will take the soloist and audience on a musical journey around the world. We wish you the very best in your upcoming performances!
