Challenging Jazz Duets Volume 3

Richard Byrd

Challenging Jazz Duets - Volume 3 is a set of 5 jazz duets for players of multiple combinations of instruments. The purpose of these duets is to provide players challenging jazz duets based on the chord changes to standard jazz tunes. These are not beginning jazz duets. The titles of these duets are an obvious allusion to the titles of the standard jazz tunes. Volume 3 contains the following duets with their respective jazz standard titles: 1) "Take Me To the Moon" (Fly Me To the Moon), 2) "Carnival Sunrise" (Black Orpheus), 3) "Gently Like the Morning Sun" (Softly As In a Morning Sunrise), 4) "Hello Redbird" (Bye Bye Blackbird), 5) "Bb Blues Madness" (standard concert Bb blues with reference to Tenor Madness). The tempos of the duets were selected to match the tempos used on the jazz standards found on the website jazzstandards.com; however, players are welcome to play these duets at any tempo (faster or slower) they feel comfortable playing.

Players may wish to explore practicing these duets with other play-along options, including Band-in-a-Box or iReal Pro, where tempos may be altered to suit the players practice needs. Band directors may wish to use these duets to feature two of their students during a jazz concert program, including the incorporation of a featured duet during the open improvisation solo section of a jazz chart with the same chord changes.

This is part of an interchangeable series to accommodate performance with any combination of instruments.
